\(^1\) Re PHYS W3018 note Dean McIntyre’s reminder: “SIPA students can receive credit for an undergraduate course, if (a) they register for it as a graduate-level independent study, and (b) the professor requires some appropriate, graduate level extra work.”

\(^2\) Students may count either U6346 or U6347 for concentration requirements, but not both.

\(^3\) Students graduating in 2016 may count U6680 for the “General Problems” distribution requirement. Students graduating at a later date may count U6680 as an elective only.

Note: Concentration courses cannot be audited or taken pass/fail

Course List Continues on Back Page.

Concentration Director Approval:
*ONLY when submitting for graduation
