The SIPA Alumni Directory is a comprehensive online database listing profiles of more than 18,000 graduates living around the world. The profiles are searchable by name, degree year, industry, and concentration, among other criteria. It’s a great way to network with alumni and fellow graduates.

**Instructions for Alumni**

In our efforts to expand this database, we ask you to update your contact information directly in the Alumni Directory. This one-time general registration will enable you to renew your record and make your information available to SIPA alumni living in more than 150 countries around the world.

*How to Update Your Alumni Directory Profile:*
- Enter your UNI and password
- Click on “Edit Your Personal Information”
- Update your profile

Through this link, you will also be able to find your UNI or reset your log-in.

**Instructions for Students**

You may log on to the SIPA Alumni Directory using your student UNI (Columbia’s unique user name for alumni, students, faculty, and staff) and password. Typically, your UNI is your initials followed by an arbitrary number, e.g., jk122@columbia.edu.

**Search Tips**

If your search results yield a small number of alumni, broaden your search by selecting fewer criteria. To narrow the number of returned entries, you may use the Advanced Search option. Keep in mind that many alumni may not list their concentration. If you are looking for a specific person or organization, enter his/her last name or the name of the employer in the appropriate section. Type in multiple versions of the organization name, for example AIG, Inc. may also be written as American International Group. Lastly, always cross-reference your search results with LinkedIn to verify alumni’s employment information before contacting them.

For additional information and assistance, please email the Office of Alumni Affairs at SIPAalum@columbia.edu.
