Below is an initial list of promotional vendors that are licensed by the University to use our trademarks in the manufacture of emblematic product. The companies listed below are members of the Fair Labor Association, certify that the factory sources are in compliance with Columbia’s Code of Conduct and have agreed to certain guidelines regarding monitoring.

This list has been compiled by referrals made by individual schools and departments based on their preferences. Each school and department should use these companies based on their own assessment of the type of product, price and quality they require. The companies below focus on “give away” products versus product sold through regular retail stores, thereby providing less expensive options. Additional licensed vendors are available but may be cost prohibitive.

If a vendor is not licensed, they have not been granted the rights to use our trademarks and are not permitted to manufacture product bearing the Columbia name or logo.
